## ***Weddings at Beachwood***

**Beachwood Resort** offers a beautiful setting for the perfect wedding. We are located just south of Buckhorn on Lower Buckhorn Lake, in the heart of the Kawarthas. We can seat up to 120 people comfortably in our dining room and in the reception room. Our meals are prepared by our Chef Dennis E. Snyder and are truly delicious. We have everything you need from the ceremony to the breakfast after, right here on the property. Come and let us help you celebrate this day and make it unforgettable.

The resort stretches along 1200 ft of shoreline. Our spacious lawns and giant trees offer excellent locations for ceremonies and photographs. The heated outdoor pool by the lake is also a nice spot for photos. The dining room is located in the main lodge. It features an old style hardwood floor and has an exceptional view of the lake. The stone fireplace lounge and reception room are also found in the lodge along with 12 hotel rooms. We have 18 cottages and condo units which are also available for overnight or for the weekend.

### **A little history**

Beachwood was first built in 1926 and was operated by the Beach's from Ohio as a fishing camp. It was open for July and August only. It consisted of the main lodge and a few small cabins.

In 1944 Beachwood was purchased by Harry Morgan from Norwood, Ontario. The patrons were mostly Americans who came for the fishing. Over the years it has developed into a summer vacation spot for Canadians, Americans and Overseas guests with large cottages, condos and main lodge suites.
